

Project on a country

- Choose a country
- Use the Internet or books to research the country
- Turn your research into a PowerPoint presentation or word document, or make a leaflet or poster – it's up to you
- Include facts about the country
- Find a map of the country
- Add images
- Include the flag of the country
- Find out about the currency and stamps of the country
- Who is the leader of the country?
- Do they have a royal family?
- Find out anything else you like about the country
